

**Description:**

The KIDDIE TIME 21052 is a simple play equipment for developing 6-23-month children! The small ladder is easily to use for walkers to reach the main platform. A colored ball panel is an interactive learning panel that can help infants and toddlers recognize different colors when playing. The tot slide offers a fun experience from a 51cm (20") high deck to ground level. This structure is also available with a roof. The KIDDIE TIME 21052 is designed for outdoor use, but can be used indoors as well.
